World Nomads Travel Insurance

Target Market Determination

Effective Date: 1 February 2022
Version: WNAUTMD-0222

1. About this document

This Target Market Determination (TMD) applies to World Nomads Travel Insurance distributed to Australian residents and identifies who this travel insurance is designed for. Customers can use this TMD to decide if the insurance product meets their objectives, financial situation and needs. It also outlines the conditions of distribution of this insurance.

The benefits and cover offered by this insurance depend on the plan and options selected. Information contained in this TMD does not constitute personal advice. Customers must assess the cover offered to determine if it is suitable for their circumstances.

2. Target Market for this insurance

The Explorer Plan – This plan is World Nomads’ most comprehensive level of single trip cover and provides higher benefit limits when compared to the other plan in this TMD.

This is suitable for customers who:	This is not suitable for customers who:
<p>Meet the following eligibility criteria:</p> <ul style="list-style-type: none"> ✓ are residents of Australia aged 69 or under at the time the certificate of insurance is issued; and ✓ are only travelling internationally, either one way or return; and ✓ are taking a trip of up to 12 months in duration within 12 months of purchase of this travel insurance. <p>Have the following objectives that are met by the key attributes of this product:</p> <ul style="list-style-type: none"> ✓ seek protection from financial loss as the result of specific defined unforeseen events, that may be incurred prior to or whilst travelling. For example, this plan can protect a consumer against financial loss for: <ul style="list-style-type: none"> • overseas medical expenses incurred as a result of injury or illness; • defined trip cancellation events, before and while they travel; • accidental loss, theft, or damage to luggage and personal effects; • rental vehicle insurance excess as a result of accidental damage or theft to a rental vehicle; • some Coronavirus related events. ✓ may want a single return visit back to their home in Australia for any non-claimable reason and resume travelling under the same policy; ✓ want access to assistance during their trip for guidance, support (even when losses may not be covered by the policy) and general policy and coverage information, as they would not likely have specialist resources available to them; ✓ do not wish to pay an additional premium for this cover to apply to travel by ocean cruise. ✓ may want to tailor cover to be more suited to their insurance needs for their planned travels by: <ul style="list-style-type: none"> • adding cover for loss arising from specific activities and experiences while travelling, working, studying or volunteering overseas • specifying valuable items to increase cover limits and not have depreciation applied. <p>Have a financial situation which is consistent with the following:</p> <ul style="list-style-type: none"> ✓ Persons who can pay the full quoted premium for the plan and options selected before the policy is issued; ✓ Persons who can incur the applicable excess if a claim is made; and ✓ Persons who may not wish to, or be able to, cover expenses themselves for events covered by this travel insurance. 	<ul style="list-style-type: none"> ✗ are not Australian residents or are Australian expatriates based overseas; or ✗ are aged 70 and over; or ✗ only want to be covered for travel within Australia; or ✗ are not starting or ending their trip at their home in Australia; or ✗ may want to return to their home in Australia for any non-claimable reason and resume travelling under the same policy multiple times; or ✗ want cover for loss arising from excluded activities; or ✗ want cover for travel to a destination subject to a “Do Not Travel” warning issued by the Australian Government’s Department of Foreign Affairs and Trade; or ✗ require cover that would cause us to be in breach of any restriction under United Nations resolutions or any sanctions, laws or regulations of Australia, the European Union, the United Kingdom or the United States; or ✗ want cover for excluded losses relating to an epidemic or pandemic or associated travel restrictions; or ✗ want cover for existing medical conditions that do not meet the criteria for automatic cover.

The Standard Plan – This plan provides less cover compared to the other plan in this TMD.

3. Distribution of this insurance

3.1 Distribution channels

Subject to the distribution conditions listed in Section 3.2, the products outlined in [Section 6](#) must only be issued:

- Online, via the application system developed by us; or
- In person or over the phone, via:
 1. the World Nomads Partner Portal
 2. the World Nomads customer service console.

3.2 Distribution conditions

Application systems must:

- Provide a level of detail necessary to appropriately inform customers of the key attributes of the product;
- Capture information including:
 - a customer's destination;
 - travel dates;
 - names of all persons to be insured;
 - age(s);
 - Australian residency; and

- Include controls to prevent a policy being issued where there is an indication that the customer is not within the target market set out in [Section 2](#);
- Record a customer's express confirmation that they understand and agree to our terms and conditions, including our Privacy Policy;
- Prominently display and provide access to:
 - the Combined Financial Services Guide and Product Disclosure Statement;
 - banners and alerts as required by us;
- Disclose applicable information including disclaimers as required;
- Issue the required documentation in a manner that complies with regulation; and
- Have a user interface and any related system integrations that have been confirmed to be secure with appropriate security testing and that has been:
 - developed by us; and
 - reviewed and approved by us.

Policies must only be issued over the phone or in person where the distribution partners acting on our behalf:

- Uses the online application system provided by us; and
- Has undertaken and passed the training required by us; and
- Uses any scripting provided by us, reads out all terms and conditions, and obtains the customer's express agreement, including their consent, to our Privacy Policy; and
- Provides relevant factual information regarding the travel insurance product that is complete and correct.

General advice may only be provided by a representative acting on our behalf where they are appropriately qualified and expressly authorised by us to do so.

All marketing and advertising related to the product set out in this TMD must adhere to any guidelines provided by us and not be directed towards customers who are outside of the target market set out in [Section 2](#).

3.3 Impact of distribution conditions and restrictions

The distribution conditions described in [Section 3.1](#) are designed to ensure this insurance is directed towards the target market, meaning it is likely that consumers who purchase this insurance are in the target market set out in [Section 2](#).

4. Record keeping and reporting information

Information reported to us is used to help us determine if this TMD is no longer appropriate.

Reporting Periods

Distribution partners must keep a record of and notify us in writing within 24 hours of becoming aware of the following:

- details of any complaints regarding the insurance;
- distribution of the insurance outside of their active agreement with us;
- any dealings not consistent with this TMD such as if this insurance is issued to a traveller who is not eligible for cover.

The number and nature of complaints will be reviewed on a quarterly basis to analyse whether this product, including how it is distributed, continues to meet the objectives, financial situation and needs of the target market.

5. Reviewing Target Market Determinations

We will conduct an initial review of this TMD within 24 months after it has been published. Subsequent reviews are to be conducted every 24 months after the initial review has been completed.

Outside of the specified review period, other circumstances which may trigger a review of this TMD include:

- if the objectives of the target market change such that the key attributes no longer meet the target market's needs; or
- significant dealings outside of:
 1. the target market as specified in [Section 2](#);
 2. the distribution conditions as specified in [Section 3](#); or
- if we become aware that the distribution conditions are inadequate; or
- if there is a significant change in product performance; or
- the value of the product changes significantly to the detriment of consumers; or

- significant increases in complaints or severity of claims; or
- changes to the Product Disclosure Statement, our risk appetite or relevant legislation; or
- feedback from regulators, distribution partners or customers which suggests this TMD requires amendment or is not fit for purpose; or
- significant changes in a distribution partner's business structure or client base.

If one of the above events reasonably suggests to us that the TMD is no longer appropriate, we will review this TMD within 10 business days.
